Who are we ?

Svenska Cellulosa Aktiebolaget (SCA) is a Swedish pulp and paper manufacturer and consumer goods company. It has approximately 50,000 employees and a turnover of approximately SEK 100 billion (€10 billion). Its main products include personal care products (incontinence products, baby diapers and feminine hygiene products), tissue, packaging and publication papers, but also solid wood products and timber. SCA is Europe's largest private owner of forest land, with 2.6 million hectares of FSC certified forest. SCA has a strong environmental and sustainability profile recognized by independent international third party organisations and NGOs.

SCA is Europe's largest and the world's third largest supplier of tissue. In the Away-From-Home (AFH) product segment – encompassing hospitals and other healthcare institutions, large workplaces, restaurants and hotels – SCA develops and sells complete hygiene solutions comprising dispensers, tissue, service and maintenance under the brand name Tork, www.sca-tork.com.

Ecolabelled products

See Appendix 1

The ecolabelling organisation hereby grants the above licensee the right to use the Nordic Ecolabel in accordance with the terms of the licence on or in conjunction with products that conform to the provisions of the relevant ecolabelling criteria or in conjunction with the marketing of products. For using the ecolabel in Denmark, Finland, Iceland or Norway, registration in the respective country in necessary

Ecolabelling Sweden undertakes to inform the relevant licensee if any amendment is made to the criteria document.

The licence will be revoked with immediate effect if the "Regulations for Nordic Ecolabelling of products" or the ecolabelling criteria for the product group are disregarded. If the licensee causes Ecolabelling Sweden direct or indirect costs as a result of this or if damage is caused by a product manufactured/sold by the licensee, the licensee shall indemnify Ecolabelling Sweden in full.

The ecolabelling licence is valid up to the specified date unless notice of cancellation is issued by the licensee or the ecolabelling organisation at least three months in advance. The licence is not transferable.
